Transportation	Easy To Transport
Pressure	High Pressure
Actuator	Standard Or Customized
Size	Various Sizes Available
Application	Personal Care, Household, Automotive, Etc.
Pressure Resistance	Up To 14 Bar
Material	Tinplate
Capacity	100ml-1000ml
Durability	Long-lasting
Customization	Available For Branding And Labeling

Our Tinplate Aerosol Can product is manufactured using our state-of-the-art Aerosol Can Making Machine. This product is perfect for packaging various items such as Coconut Oil Tin Can and can be used with our high-quality Aerosol Spray Nozzle.

### Applications:

The aerosol can is compatible with most aerosol products and has high pressure capabilities. This makes it ideal for use in a wide range of industries, including automotive, household, and industrial cleaning. Additionally, the Jiayi Tinplate Aerosol Can can be customized to meet a variety of branding and labeling needs.

One of the key features of the Jiayi Tinplate Aerosol Can is its compatibility with a range of aerosol spray valves and nozzles. This means that it can be used with a variety of different aerosol products, making it a versatile choice for a range of applications.

The aerosol can is available in a range of packaging options, including paper bags, cartons, stretch film, and wooden pallets. Delivery time is typically between 3-5 days, and payment terms are flexible, with all options available.

The minimum order quantity for the Jiayi Tinplate Aerosol Can can be customized depending on your needs, and the price varies depending on the number of cans ordered. Standard and customized actuators are available, providing additional flexibility for your specific requirements.

Overall, the Jiayi Tinplate Aerosol Can is a high-quality, versatile product that can be customized to meet your branding and labeling needs. With a range of packaging options and flexible payment terms, it is a great choice for a variety of industries and applications.
