Product Description

Product Description:

Our Food Can Cap is available in various packaging options such as a paper sleeve, stretch film, pallet, and carton. We understand that different businesses have unique packaging requirements, and we want to provide flexibility to our customers by offering multiple packaging options.

We also understand that businesses have different branding needs, and our product can be customized to cater to these needs. Our Food Can Cap can be customized with your company's logo or design to help your brand stand out in the market.

Our Food Can Cap comes with external color options such as white, yellow, gold, clear, and printing. This allows businesses to choose the right external color that matches their branding or product packaging. Additionally, the internal color options include white, yellow, gold, and clear, providing businesses with flexibility in choosing the internal color that suits their product the best.

Our Food Can Cap is an easy open cap, making it convenient for consumers to open their canned foods. This feature reduces the need for can openers, making it easy for consumers to enjoy their favorite canned foods.

In conclusion, our Food Can Cap is the perfect solution for businesses in the canned food production line. It provides an excellent seal for your food tin cans, comes in various packaging options, can be customized to match your branding needs, and has external and internal color options to choose from. Additionally, it is an easy open cap, making it convenient for consumers to enjoy their favorite canned foods.

Features:

Product Name: Food Can Cap

External: White/ Yellow/ Gold/ Clear/ Printing

Package: Paper Sleeve/Stretch Film/Pallet/Carton

Internal: White/Yellow/Gold/Clear

Sealing: Round Edge Injection

Customized: Can Be Customized

This Food Can Cap is perfect for sealing canned fruit with its easy open cap. The can lids come in a variety of external colors including white, yellow, gold, clear, and printing. The package options include paper sleeve, stretch film, pallet, and carton. The internal color also comes in a variety of options including white, yellow, gold, and clear. The sealing process uses round edge injection, ensuring a tight seal. Additionally, the Food Can Cap can be customized to fit your specific needs.

Technical Parameters:

Technical Parameter	Value
Customized	Can Be Customized
External	White/ Yellow/ Gold/ Clear/ Printing
Internal	White/Yellow/Gold/Clear
Material	Tinplate
Size	200#, 202#, 209#, 211#, 214#, 300#, 305#, 307#, 401#
Compound	Food Industry Water Base
Sealing	Round Edge Injection
Package	Paper Sleeve/Stretch Film/Pallet/Carton

Applications:

The external part of the cap comes in a variety of colors, including white, yellow, gold, clear, and printing. This allows for easy identification of the contents of the can, which is useful for both personal and commercial use. The internal part of the cap also comes in a range of colors, making it versatile for a variety of food products such as canned fruit.

The cap is packaged in a paper sleeve, stretch film, pallet, or carton depending on the quantity needed. This ensures that the caps are protected during transportation and ready for immediate use upon arrival. Delivery time is 3-5 days, making it a quick and efficient solution for those in need of reliable food can caps.

The round edge injection sealing of the cap ensures that the contents of the can remain secure and sealed. This is essential for preserving the freshness of the food and preventing any contamination. Customers can trust that Jiayi 003 Food Can Cap will keep their food safe and secure.

Whether it's for personal or commercial use, Jiayi 003 Food Can Cap is the perfect solution for those in need of a high-quality, reliable cap for their food tin cans. Made with the food industry in mind, this cap is safe, versatile, and easy to use. Order now and experience the convenience and quality of Jiayi 003 Food Can Cap.

Customization:

Packing and Shipping:

Product Packaging:

The Food Can Cap product comes in a pack of 10 caps. Each cap is individually wrapped in a plastic bag to ensure cleanliness and product integrity. The pack is then placed in a cardboard box with cushioning materials for protection during shipping.

Shipping:

The Food Can Cap product is shipped via standard ground shipping. Orders are processed within 1-2 business days and shipping usually takes 3-5 business days within the United States. International shipping may take longer depending on the destination. Shipping fees will be calculated at checkout based on the shipping address and weight of the package.
