## Manufacturer Outside Aerosol Components With Different Color Coatings OEM Products Cones And Domes

Our Product Introduction

for more products please visit us on [jiayi-packaging.com](http://jiayi-packaging.com)

### Basic Information

- Place of Origin: Tianjin China
- Brand Name: Jiayi
- Certification: ISO9001:2015
- Model Number: components
- Packaging Details: PALLET
- Delivery Time: 10-15 DAYS

### Product Specification

- Product Name: AEROSOL COMPONENT
- Sample: AVAILABLE
- Thickness: 0.28/0.32/0.35/0.40
- Usage: Aerosol
- Material: Tinplate
- Product Type: Aerosol Can
- Highlight: Color Coated Aerosol Can Cone,  
OEM Aerosol Can Cone

## Product Description

### Product Description:

Our AEROSOL COMPONENT is designed specifically for aerosol use and can withstand deformation pressure of  $\geq 1.8\text{MPa}$ , making it a reliable choice for all your aerosol needs.

Each AEROSOL COMPONENT is proudly made in Tianjin, China, and is crafted with precision and care to meet the highest standards of quality and performance.

Our AEROSOL COMPONENT is an essential part of any chemical production process, providing a safe and reliable way to store and transport your aerosol products.

With its sturdy construction and reliable performance, the AEROSOL COMPONENT by Jiayi is the perfect choice for your chemical industry needs.

### Features:

Product Name: Aerosol Can-Cone

Sample: AVAILABLE

Product Name: AEROSOL COMPONENT

Material: Tinplate

Brand Name: Jiayi

Type: For AEROSOL CANS

Features:

Made from durable TINPLATE material

Designed for use with Spray Aerosol cans

Compatible with most Can Components

Easy to attach and remove

Allows for precise spraying and controlled application

### Technical Parameters:

Place of Origin	Tianjin, China
Product Type	Spray Aerosol can
Product name	AEROSOL COMPONENT

Country Of Origin	China
Usage	Aerosol
Material	Tinplate
Deformation Pressure	≥1.8MPa
Type	For AEROSOL CANS
Sample	AVAILABLE
Industrial Use	Chemical

## Applications:

The use of these components is widespread, with a variety of applications and occasions where they are necessary. For instance, in the automotive industry, these components are used for paint sprays, air fresheners, and brake cleaners. The components are also used in the construction industry for spray foam insulation and adhesive applications. In the personal care industry, the aerosol can components are utilized for products like hair spray, deodorant, and shaving cream.

Thanks to Jiayi's commitment to quality and their ISO9001:2015 certification, customers can rest assured that they are receiving a reliable and safe product. Additionally, the company offers quick delivery times of 10-15 days and has a sample available for those who wish to test the product before making a larger purchase.

The packaging details for these components include pallets, which ensures that they are protected during transportation. This makes them easy to load and unload, and the packaging ensures that they arrive at their destination in great condition.

Overall, Jiayi's Can Components are an essential part of the Spray Aerosol can and are necessary for a variety of applications and scenarios. With their high-quality material, certifications, and quick delivery times, they are an excellent choice for anyone in need of aerosol can components.

## Customization:

Our product customization services for the Jiayi Aerosol Can Cone include: .....

Brand Name: Jiayi

Model Number: components

Place of Origin: Tianjin, China

Certification: ISO9001:2015

Packaging Details: PALLET

Delivery Time: 10-15 DAYS

Material: TINPLATE

Sample: AVAILABLE

Industrial Use: Chemical

Product Type: Spray Aerosol can

Our aerosol can cones are made from high-quality TINPLATE material, ensuring durability and reliability for your chemical industrial use. We offer customization services to meet your specific needs and requirements, and our samples are available for your testing and approval. With our ISO9001:2015 certification and fast delivery time of 10-15 DAYS, you can trust us to deliver top-quality products that meet your standards and exceed your expectations.
