Applications:

The lid is designed with a unique Lid Ring Bottom that makes it easy to open and close. The ring is sturdy and fits snugly around the edge

of the can, creating a tight seal that keeps food fresh for longer. The Lid Ring Bottom also makes it easy to stack cans on top of each other, saving space in your pantry or storage area.

The Food Cover is an eco-friendly product that is perfect for those who are looking for sustainable alternatives to traditional plastic wrap or aluminum foil. It is reusable and can be washed and reused again and again, making it a cost-effective and environmentally friendly option for your kitchen.

The Food Cover is also a great choice for industrial and chemical applications. Its sturdy construction and tight seal make it perfect for storing and transporting chemicals and other hazardous materials safely and securely.

Whether you're storing leftovers in the fridge or transporting hazardous materials, Jiayi's Food Cover is the perfect solution. Its durable tinplate construction, easy-to-use design, and eco-friendly features make it a must-have for any kitchen or industrial setting.
