Product Description:

Printing Handling: The Aerosol Can Dome features Offset Lithography printing, allowing for precise and vibrant printing on the surface of the dome. This printing method ensures that any branding or information on the dome is clear, durable, and visually appealing.

PAYMENT TERM: Customers can conveniently secure their orders with a 30% Deposit T/T Advance payment term. This flexible payment option provides peace of mind to customers and facilitates a smooth transaction process.

Advantage: As a 100% Manufacturer, our commitment to quality and consistency is unparalleled. By overseeing the entire manufacturing process, we can guarantee that each Aerosol Can Dome meets our high standards for performance and durability.

Surface finishing: The Aerosol Can Dome boasts a polished surface finishing, enhancing its aesthetic appeal and providing a sleek and professional look. The polished finish not only adds a touch of sophistication to the dome but also contributes to its overall durability and resistance to wear and tear.

Surface Handling: With Offset Printing surface handling, the Aerosol Can Dome features high-quality printing that is both long-lasting and resistant to fading. This surface handling method ensures that the dome maintains its appearance and branding integrity over time, even in challenging environments.

Whether used for personal care products, household items, or industrial applications, the Aerosol Can Dome plays a vital role in preserving the functionality and usability of aerosol spray cans. Its reliable design and high-quality construction make it an essential component for ensuring the effective and efficient dispensing of aerosol contents.

Invest in the Aerosol Can Dome for a premium solution that combines functionality, durability, and aesthetics. With its Offset Lithography printing, polished surface finishing, and secure payment terms, this dome is the ideal choice for businesses and industries seeking top-quality components for their aerosol spray cans.

Features:

- Product Name: Aerosol Can Dome
- Logo: Customized Logo Printing
- Printing Handling: Offset Lithography
- PAYMENT TERM: 30% Deposit T/T Advance
- Thickness: 0.19-0.40mm
- Usage: Cone And Dome For Aerosol Can

Technical Parameters:

Brand Name	Jiayi
Sample	Provided Freely

Size	Diameter 45/52/57/60/65/70mm
Usage	Cone And Dome For Aerosol Can
Thickness	0.19-0.40mm
Product name	Empty Aerosol Can Components
Place of Origin	Tianjin,China
Logo	Customized Logo Printing
Shape	Dome
Surface finishing	Polished

Applications:

When it comes to versatile packaging solutions for aerosol cans, the Jiayi Aerosol Can Dome is a top choice. Designed to fit securely on top of aerosol cans, this dome-shaped lid serves various product application occasions and scenarios across different industries.

For manufacturers of spray bottles and aerosol containers, the Aerosol Can Dome by Jiayi is the perfect component to ensure a secure closure. Its precise design and durable material make it ideal for industrial use in the chemical sector. The dome-shaped lid provides a reliable seal, preventing leakage and evaporation of the contents.

With a thickness ranging from 0.19mm to 0.40mm, the Aerosol Can Dome offers sturdiness and protection for the aerosol cans. The surface finishing of the lid is polished, giving it a sleek and professional look that complements the overall packaging design.

Certified with ISO9001, customers can trust the quality and reliability of the Jiayi Aerosol Can Dome. The minimum order quantity can be customized to meet specific production needs, and the price varies depending on the quantity ordered.

Packaging details for the Aerosol Can Dome include options such as paper bag, carton, stretch film, and wooden pallet, ensuring safe transportation and storage. The delivery time is quick, with orders typically shipped within 3-5 days, making it a convenient choice for manufacturers with tight production schedules.

Payment terms are flexible, accepting all methods for added convenience. The dome-shaped lid is designed for pallet packaging, making it easy to handle and store in bulk quantities.

Overall, the Jiayi Aerosol Can Dome is the go-to solution for spray bottle tops, aerosol container lids, and aerosol can caps, offering durability, reliability, and ease of use for various industrial applications.

FAQ:
