Type:	Necked-in / Straight Wall
Coating:	Clear / Gold / White
Industrial use:	Car/Motorcycle /Car care/Chemical/Food

Features:

Product Name: Tinplate Can Lids
Industrial Use: Chemical
Function: Heat Resistance, UV Inhibited, Waterproof
Certificate: ISO9001
Metal Type: TINPLATE
Thickness: 0.2-0.35mm Tinplate

Applications:

The Jiayi Tin Cans Easy Open End lids are versatile and durable products suitable for various industrial and domestic applications. Made from high-quality tinplate with a thickness ranging from 0.2mm to 0.35mm, these lids are known for their reliability and strength. The lid ring bottom ensures a secure fit, providing a tight seal to preserve the contents of the cans.

These tin can lids are ideal for use in chemical industries due to their robust construction and ability to withstand harsh environments. The ISO9001:2015 certification guarantees their quality and adherence to international standards. Originating from Tianjin, China, these lids are crafted with precision and expertise.

The white silver color option gives a clean and professional look, while the option for customization allows for branding or personalization. Whether for cooking, baking, barbecue, or camping, these lids are perfect for sealing cans during food preparation and storage.

With a quick delivery time of 5-10 days, customers can rely on prompt service to meet their urgent needs. The round shape of the lids makes them easy to handle and store, adding convenience to the application process.

Overall, the Jiayi Tin Cans Easy Open End lids are a practical solution for sealing tin cans in a variety of scenarios. Their versatility, durability, and quality make them a trusted choice for industrial and domestic use.
