Industrial use:	Car/Motorcycle /Car care/Chemical/Food

### Features:

Product Name: Tinplate Can Lids  
Color: White Silver, plain Or Customized  
Logo: Accepted Customized Logo  
Product Name: Aerosol Tin Can  
Certificate: ISO9001  
Thickness: 0.2-0.35mm Tinplate

## Applications:

Jiayi Tinplate Can Lids are a versatile and high-quality product suitable for a variety of product application occasions and scenarios. With its exceptional attributes and certifications, these tin can lids are ideal for various industrial uses.

One of the key application scenarios for Jiayi Tinplate Can Lids is in the can food industry. The coated lids with lid ring bottom design provide a secure and airtight seal for canned food products, ensuring freshness and longevity. Whether used for fruits, vegetables, or other food items, these lids are a reliable choice for food packaging.

Thanks to their heat resistance and waterproof properties, these tin can lids are also suitable for industrial use in the chemical industry.

The UV inhibited feature further enhances their durability, making them perfect for storing chemicals safely and securely.

Manufactured in Tianjin, China, Jiayi Tinplate Can Lids meet the highest quality standards, with ISO9001:2015 certification guaranteeing their quality and reliability. Customers can trust in the product's consistency and performance for their packaging needs.

With a delivery time of 5-10 days, customers can rely on prompt delivery of their orders, ensuring that their production processes remain efficient and on schedule. The CMYK 4 color set printing option allows for customization and branding, making these tin can lids a versatile choice for various packaging requirements.

Furthermore, the OEM/ODM acceptance and ISO9001 certification add to the product's appeal, showcasing Jiayi's commitment to meeting customer needs and maintaining industry standards.
