### Features:

Product Name: Easy Open End

Color: Silver

Open Instruction: Without

Pressure: 0.15Mpa

Application: Food Can

Logo Printing: Customizable

### Applications:

Jiayi's Easy Open End product, model number FD001, is a versatile solution that can be applied to a wide range of product application occasions and scenarios. Made from high-quality tinplate, this Easy Open End is specifically designed for use with food cans, offering a convenient and efficient way to access the contents within.

With its customizable logo printing options, businesses can easily showcase their brand on the Easy Open End, helping to enhance brand visibility and recognition. The full open design of the Easy Open End ensures easy access to the contents of the food can without the need for additional tools or equipment, making it a practical choice for consumers.

Whether used for packaging canned fruits, vegetables, or other food products, Jiayi's Easy Open End provides a secure and reliable closure option that can be tailored to meet specific branding requirements. The product is certified under ISO9001:2015, ensuring that it meets stringent quality standards and is suitable for use in various industries.

Businesses can customize the packaging details of the Easy Open End based on their individual needs, with options including paper bags, cartons, stretch film, or wooden pallets. The minimum order quantity for this product can be customized to accommodate varying

production requirements, while pricing is dependent on the number of units ordered.

In summary, Jiayi's Easy Open End is a premium solution for businesses looking to enhance their food can packaging with a customizable, high-quality closure option. Its round shape, full open design, and logo printing capabilities make it an ideal choice for a wide range of product application scenarios, providing both practicality and branding opportunities for businesses in the food industry.
