### Features:

Product Name: Food Can Cap

Compound: Food Industry Water Base

Sealing: Round Edge Injection

Package: Paper Sleeve/Stretch Film/Pallet/Carton

Internal: White/Yellow/Gold/Clear

Material: Tinplate

### Applications:

The Jiayi 003 Food Can Cap is a versatile product that can be used in a variety of occasions and scenarios due to its high quality and

customizable features. Made in China, this cap is ISO9001 certified, ensuring top-notch quality and safety standards. One of the key attributes of the Jiayi 003 Food Can Cap is its wide range of external and internal color options. The external colors available include white, yellow, gold, clear, and printing, allowing for customization to suit different branding and packaging needs. The internal colors also come in white, yellow, gold, and clear options, providing a cohesive look for the food tin can. With its customizable options, the Jiayi 003 Food Can Cap is suitable for various product application occasions. Whether it's for storing snacks, dry goods, or other food items, this cap can be tailored to meet specific branding requirements. The easy open cap design also enhances user convenience, making it ideal for quick access to the contents of the food tin can. Thanks to its round edge injection sealing, the Jiayi 003 Food Can Cap ensures a secure closure that helps maintain the freshness and quality of the packaged food items. The cap can be easily customized to meet specific sealing requirements, providing a reliable packaging solution for a wide range of food products. When it comes to packaging options, the Jiayi 003 Food Can Cap offers flexibility with choices such as paper sleeve, stretch film, pallet, and carton. This versatility makes it suitable for various scenarios, whether it's for retail display, transportation, or storage purposes. Additionally, with a fast delivery time of 3-5 days, customers can rely on prompt service to meet their packaging needs.
