- Delivery Time: 7-10 work days
- Payment Terms: T/T, L/C
- Supply Ability: 10000/day

Product Specification

- Functionality: Keeps Food Fresh And Prevents Spills
- Compatibility: Fits Most Standard Food Cans
- Logo: Accepted Customized Logo
- Application: Food Can Packing
- Custom Order: Accept
- Printing: Customized Design And Logo Available
- Shape: Round
- Capacity: Customized
- Product Type: Tin Can
- Customizable: Yes
- Highlight: **ISO 9001 Certified Tin Food Can,
Round Shape Tin Food Can,
Food Grade Tin Food Can**

Product Description

Founded in 2006, specializing in metal packaging solutions

Jiayi is always committed to providing customers with high-quality products and professional services, and has won wide recognition and a high degree of customer trust in the industry. Our factory has fully introduced first-class automation equipment from home and abroad, to ensure that every product, every process including design, manufacture and delivery, all meets the high standard of quality requirements.

The products can be applied to aerosols, PU foam, butane gas, automotive care products, daily chemical products or canned food, beverage and dried fruits and other food products.

Quality and Responsibility

Each workshop is equipped with professional laboratories and testing equipment to ensure the quality of raw materials, production and finished products throughout the process. We have obtained ISO 9001 certification.

In the production process, we always adhere to the concept of environmental protection, use environmentally friendly materials, optimize the production process, reduce energy consumption and waste emissions. We are committed to building a green and sustainable enterprise.

Innovative services to empower customers

Our seasoned technical specialists and accomplished leadership empower us to continuously optimize our production processes and to respond quickly to the individual needs of our customers. It will also enable us to establish deeper partnerships with clients, promoting shared development.

In the future, we will continue to uphold the "quality first, customer first, scientific and technological innovation, green environmental protection" business philosophy, and constantly improve our products and services, to create greater value for our customers, and contribute more to the development of the industry.

Thank you for your interest in Jiayi. We look forward to great cooperation and creating a bright future with you!
